

The Nelson County Service Authority is currently seeking resumes for the following positions:

Waterworks Operator

Wastewater works Operator

These positions are responsible for the successful operation of the Water and Wastewater Treatment Plant facilities at Wintergreen, VA owned and operated by the Nelson County Service Authority. All applicants must have a valid Virginia driver's license; High school diploma or General Education Diploma (GED) required at minimum.

All applicants must hold a Class 2 Waterworks and/or Wastewater works license certification or the ability to obtain a Class 2 license within 12 months of hire as established by the Virginia Board of Waterworks and Wastewater works Operators.

These are full-time positions with paid holidays, vacation and sick leave, VRS retirement benefits along with health, life, dental and vision insurance. Salary is determined by current licensure and experience. Interested candidates are encouraged to apply by emailing a resume to:

Nelson County Service Authority
